CM 9128 APOLOGIES FOR ABSENCE

Apologies were received from Cllrs Barber and Blakemore.

CM 9129 DECLARATION OF INTEREST

None.

CM 9130 LOCKS RIDE SPLASHPAD

The Clerk and Paul Craven met Bird Charles Surveyors on-site to inspect the concrete base of the splashpad.

A report from Bird Charles was attached as Appendix 1.

It was proposed by Cllr Atkinson, seconded by Cllr Wall and with 11 votes for and 1 abstention

RESOLVED to accept the quote from Fred Ball for repair of the cracked concrete and replacement of the tarmac surround at a cost of £8,000.00 and to accept the quote from S J Aplin for replacement of the wetpour at a cost of £5,990.00. The commissioning of the splashpad will be carried out as normal once works are complete.

CM 9131 BLACKMOOR PLAY SPACE

There had been a number of recent incidents of anti-social behaviour at Blackmoor Playspace and a residents backing onto the area had complained to WPC.

The footpath is used by local residents as a cut through to Fernbank Road from Elliott Rise. The gates were previously opened at 7.30am and locked at 9.00pm but had not

been locked since the previous gatekeeper passed away in 2018. A resident had offered to become gatekeeper but had now retracted the offer as was unable to commit to the daily task.

The Chairman advised that emergency procedures for WPC casual staff to lock the site had been put in place from the Easter bank holiday weekend which appeared to have helped the situation.

It was proposed by Cllr Atkinson, seconded by Cllr Ms Browne and unanimously

RESOLVED to extend the emergency process of WPC staff unlocking the gates at 7.30am and locking at 9.00pm with a review to be carried out after 6 months.

Chairman
